# Chanticleer News

Gene Bellisario, St. Tammany Parish Councilman attended our homeowners meeting to give us an update on many items that concern our neighborhood. Those that attended the meeting got a report on the neighboring property development status, as well as many other matters.

A3 custom homes using their own sewer system (not ours as they originally intended) will be required for development as it stands now. Landscaping for our roundabout at Robert and Brownswitch is being decided. A new business park is being developed behind CVS by the law office.

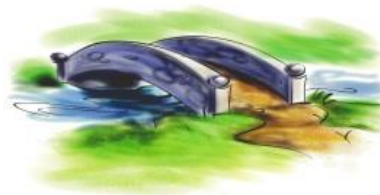

**Welcome to the new homeowners who have moved in since our last meeting.**

**Our Board will remain the same for the coming year.**

Chanticleer Night Out Against Crime TBA
